

# WELCOME TO THE CHILDREN'S MENTAL HEALTH INITIATIVES DIRECTORY FOR WISCONSIN

A resource that outlines major programs, funding sources, coalitions, and associations dedicated to supporting children's mental health across the state. This table offers an inside look at where investments in children's mental health are being made and highlights opportunities for collaboration to strengthen and expand these efforts.

## HOW TO USE THIS DOCUMENT:

- **Identify Major Investments:** Explore current programs with substantial funding (\$100,000 or more) supported by public or philanthropic sources, and identify which agencies and organizations are driving these investments. Federal level dashboards that may also be useful:
  - [American Rescue Plan Act: Medicaid HCBS Grants Supporting Quality and Innovation | Wisconsin Department of Health Services](#) (ARPA)
  - [Grants Dashboard | SAMHSA](#)
- **Enhance Collaboration and Avoid Duplication:** Discover active initiatives and potential collaborators in your field, helping to streamline efforts and avoid redundancy.
- **Connect with Ongoing Efforts:** Review active coalitions and associations to identify networks and professional groups working toward similar goals to build on successes and create partnerships.

**FOR UPDATES OR ADDITIONS:** PLEASE CONTACT US AT [OCMH@DHS.WISCONSIN.GOV](mailto:OCMH@DHS.WISCONSIN.GOV) IF YOU SEE A NEED FOR UPDATES OR IF A NEW INITIATIVE SHOULD BE CONSIDERED FOR INCLUSION.

## OVERVIEW

### SECTION 1 – STATE AGENCIES AND ENTITIES

#### DESCRIPTION

This section highlights Wisconsin state agency funding initiatives.

Initiatives that met criteria for inclusion are those that have current or ongoing funding specific to children's mental health and/or their families with funding either awarded by the federal government or included as part of the state budget. Each entry includes detailed information about the agency division responsible for the initiative, funding amount, and implementation sites, giving users a comprehensive look at current state investments in mental health.

Relevant state agencies and other required statewide entities are included.

#### PURPOSE

This section helps organizations track down complex funding sources, identify potential funding leads, and avoid duplicating existing efforts. For those interested in launching similar programs, this information can support best practices and identify valuable connections with existing initiatives.

### SECTION 2 – COALITIONS, COUNCILS, & CROSS-AGENCY COLLABORATIONS

#### DESCRIPTION

This section lists advisory councils, coalitions, and inter-agency collaborations actively working to improve systems of children's mental health across Wisconsin. These entities contribute essential insights to the Governor, legislators, and department leaders about systems of children's mental health and welfare, special education, or disability per state law.

#### PURPOSE

This section provides users with a network of resources and insights to guide policy decisions, improve mental health systems, and establish new channels of collaboration by connecting cross-agency experts.

### SECTION 3 – ASSOCIATIONS

#### DESCRIPTION

This alphabetical listing includes Wisconsin-based associations recognized for their role in supporting children's mental health. Associations featured are those with a Wisconsin chapter, are targeted child-serving agencies and individual professionals, are recognized by the Department of Children and Families' YoungStar program, or require or advise membership.

#### PURPOSE

This section allows users to connect with WI professional groups, identify potential funding and partnership opportunities, and learn about resources available for mental health initiatives.
