

Connecting for Solutions:

School Belonging and Children's Mental Health

2024 Social Connectedness of Youth Convenings

Wednesday, April 24
12 - 1:15 pm
Virtual

What you can expect in this convening:

- **Learn why** school belonging is critical to children's mental health.
- **Learn from others** – in small group discussions you'll hear from others what they are seeing in their communities regarding school belonging.
- **Meet others and network** – connect with others and share best practices. Come ready to share!

We want to inspire local work on social connectedness of youth. This convening is open to anyone in Wisconsin concerned about children's mental health and school belonging.

Feel free to share this invitation.
