TRENDS AND ACCOMPLISHMENTS

"From its beginning in 2014, OCMH has convened and supported an impressive array of leaders who together have achieved much alignment, collaboration, and improvement of children's mental health."

- LINDA HALL, DIRECTOR
WISCONSIN OFFICE OF CHILDREN'S MENTAL HEALTH

OCMH VISION: Wisconsin's children are safe, nurtured, and supported to achieve their optimal mental health and well-being. Systems are family-friendly, easy to navigate, equitable, and inclusive of all people.
