

# PARTNER *Reflections*

In recognition of the Wisconsin Office of Children's Mental Health's (OCMH) 10th Anniversary, OCMH partners offer reflections of the past 10 years and OCMH's contributions to children's mental health in Wisconsin.

---

"OCMH has created connections and opportunities among a large and diverse group of people that wouldn't have occurred otherwise. Because we have been in conversations with such a wide range of organizations, we think about things in a way that we may not have before. OCMH has opened us up to thinking outside of our individual walls."

▶ LANA SHKLYAR NENIDE, EXECUTIVE DIRECTOR –  
WISCONSIN ALLIANCE FOR INFANT MENTAL HEALTH

"With its collective impact focus, OCMH is doing work in a different way, bringing people together. The sandbox is big enough for all of us, and OCMH showed us that."

▶ REBECCA MURRAY, EXECUTIVE DIRECTOR –  
CHILD ABUSE AND NEGLECT PREVENTION BOARD
