## Trauma-Informed Care Learning Collaborative ENVIRONMENT

A Learning Collaborative is a model that offers Policy Workshop attendees a monthly conference call, hosted and facilitated by Area Coordinators. These calls allow your group the opportunity to gather support, learn from one another, stay accountable, share successes, brainstorm solutions to challenges, and to build relationships with other (regional/local) cohorts. Each Area Coordinator listed below will schedule the calls with the Policy Workshop attendees in their region. If you have any questions, please reach out to them.

REGION	AREA COORDINATOR
Northern (Rhineland)	<b>Dawn Winqvist</b> 715.365.2510 DawnM.Winqvist@dhs.Wisconsin.gov
Northeast (Appleton)	<b>Robin Raj</b> 920.448.5333 Robin.Raj@dhs.Wisconsin.gov
Southern (Madison)	<b>Elizabeth Dehling</b> 262.521.5096 Elizabeth.Dehling@dhs.Wisconsin.gov
Southeast (Waukesha)	<b>Elizabeth Dehling</b> 262.521.5096 Elizabeth.Dehling@dhs.Wisconsin.gov
Western (Eau Claire)	<b>Michelle Larson</b> 715.836.5724 Michelle.Larson@dhs.Wisconsin.gov

Each Learning Collaborative will decide its own curriculum. Suggestions include:

- Action plan ideas and implementation
- Self-assessments and re-assessments
- Six core principles of a trauma-informed agency
- Barriers
- Identifying team members
- Communication plans

These collaboratives are intended to meet the ongoing and emerging needs of each group.

We hope you will feel inspired and empowered to share and learn from one another, and look forward to your contributions!
