1. Adverse Childhood Experience (ACE): Death of Parent

<u>Description:</u> The following question was answered by a parent or guardian on the National Survey of Children's Health: "To the best of your knowledge, has this child ever experienced the following: parent or guardian died?"

Numerator: Number of children who experienced the ACE

Denominator: The population estimate of children aged 0-17

WI data current year: 2017

WI data comparison year: 2016

US data comparison year: 2016

<u>Source:</u> Child and Adolescent Measurement Initiative. National Survey of Children's Health [Data tables] (2017). Data Resource Center for Child and Adolescent Health supported by the U.S. Department of Health and Human Services, Health Resources and Services

Administration (HRSA), Maternal and Child Health Bureau (MCHB).

Retrieved from www.childhealthdata.org

2. ACE: Divorce

<u>Description:</u> The following question was answered by a parent or guardian on the National Survey of Children's Health: "To the best of your knowledge, has this child ever experienced the following: parent or guardian who got divorced or separated?"

Numerator: Number of children who experienced the ACE

Denominator: The population estimate of children aged 0-17

WI data current year: 2017

WI data comparison year: 2016

US data comparison year: 2016

<u>Source:</u> Child and Adolescent Measurement Initiative. National Survey of Children's Health, [Data tables] (2017).
